

# DRUG TRENDS 2012

## Impact in the Medina Community

### Workplace, School, Home

- *Up-to-date information on current drug trends (Synthetic Marijuana, Bath Salts, Pills, Opiates, Powder).*
- *How business, education, and our community are paying the price for this dangerous epidemic.*
- *Take this opportunity to network with leading professionals in our community concerned about these trends.*
- *Now in Ohio, unintentional drug poisoning is the leading cause of injury death for young adults, surpassing motor vehicle crashes and suicide.*
